

Pleasant Valley Bible Church - AWANA Parent Info

Wednesday Night Check-In and Pick Up

Club begins at 6:30 pm in the gym, at the sign-in table

Pick up is at 8:00 in the gym, from each club area/leader

Club Information

Children participate in an AWANA Club based on age and what grade they are in at school:

- **Cubbies** – Pre-K (3-4 years old and potty trained)
- **Sparks** – K through 2nd Grade
- **Truth and Training** – 3rd through 6th Grade

The registration cost for AWANA is \$35 for the first child, \$25 for second and third child, or \$85 max per family, and includes one book and vest for Cubbies and Sparks.

Clothing

Clubbers will always need to wear closed-toe shoes for game safety, and they should wear a comfortable shirt, and comfortable pants, sweats, or shorts. A sweatshirt or lightweight jacket is also recommended when nights are cool. The Cubbies and Sparks vests are to be worn over their shirts.

Schedule and Theme Nights

Please keep the AWANA Schedule handy as it refers to weekly theme nights, the AWANA store nights and the holiday schedule where we don't meet. Theme nights will often involve some form of dress up or costume, these are meant to be simple, and clubbers will be rewarded with 1 AWANA dollar for dressing up and participating. The AWANA dollars can be spent at the AWANA Store on the scheduled Store Nights.

Guests

Guests are welcome, and your child is encouraged to invite as many friends as they want. Your child will receive 5 AWANA dollars, and their guest will receive 10 AWANA dollars on their first night.

Bible Memorization and Conduct

The key purpose of AWANA is to learn God's Word and to memorize it! The award night at the end of the year will reward those who have finished their handbooks. Please help them stay focused and current so they can avoid the end-of-year scramble. Children are to be obedient and respectful of AWANA leaders, and kind to other children. If a child chooses not to follow those simple expectations, then the AWANA Leader will contact the parent to discuss options.
